SECRETARY

November 27, 2013

TO: Prospective Bidders

FROM: Curtis Barbee, Proposals Engineer

SUBJECT: Addendum #1 –Requirement for Electronically Bidding on project
WBS#42327.3.FD1.

The Contractor should be aware that there are two (2) EBS files labeled as DJ00116 & DJ00116.001 that will be required to bid electronically on this project. Both EBS files are posted along with all other files on the NCDOT webpage under “Division 10 Lets”.

All Prospective Bidders should be aware that all line item quantities in the proposal are correct and there are no changes to these items. Only Bidders that plan to bid electronically will be required to take any actions per this addendum.

This addendum does not need to be attached to bid packages received and opened by NCDOT on 12/18/2013. The Department apologizes for any inconvenience this situation creates.
